

Build something great™

# Versetta® Stone

COMPLETE SYSTEM BROCHURE

The beauty of stone,  
the simplicity of siding.

# What is Versetta® Stone?

Versetta® Stone is a mortarless, cement-based manufactured stone veneer with a unique, panelized design that is installed with mechanical fasteners, allowing carpenters and contractors to recreate the beauty and craftsmanship of authentic stone masonry using nails or screws.

## Why choose Versetta® Stone?

**Quality**

**System**

**Speed**

**Selection**

From new construction to remodeling, exterior facades to stunning interiors, Versetta® Stone adds the beautiful detail of traditional stone masonry with a modern installation method, offering a complete system founded on quality, speed and selection.

# BORAL

Quality

## A reputation for **quality**, performance and innovation

For over 50 years, Cultured Stone® by Boral® has worked to build a reputation for quality, authenticity and design by consistently improving and perfecting the production process for manufactured stone veneer, becoming the most recognized brand in the industry. By combining lightweight concrete, basic aggregate, water, and mineral oxide pigments, the master craftsmen of Cultured Stone® not only mimic the look of natural stone, but also improve upon it with more consistent colour, quality and weight. From this knowledge, expertise and dedication to innovation comes Versetta® Stone – a new, mortarless stone veneer with a modern installation method.

From start to finish, the complete **system** for your next project

System

## THE VERSETTA® STONE SYSTEM

Universal Corner

Flat Panel

Wainscot Cap

Light Box

J-Channel

Starter Strip

Receptacle Box

Trim Stone

### FLAT PANEL

The main component of the Versetta® Stone system, the Flat panel covers two square feet and weighs approximately 17 lbs. Each panel is embedded with a G-90 galvanized nail strip that allows for easy installation with mechanical fasteners. The built-in rain screen and other moisture management features ensure proper water drainage.

### UNIVERSAL CORNER

The Universal Corner panels are the same size and shape as Flat panels but have finished ends. Universal Corner panels fit neatly with Flat panels and are designed for use on end wall terminations and for inside and outside corners.

## ACCESSORIES

ITEM	COLOUR
Wainscot Cap/Sill	Taupe Charcoal
Trim Stones	Taupe Charcoal
Receptacle Box	Taupe
Light Box	Taupe

Speed

Installs with **speed** using screws or nails

## THE VERSETTA® STONE PANEL

Mortarless panels are designed for a quick and easy installation using mechanical fasteners.

# SPEED

- Installs with screws or nails
- No metal lath or scratch coat necessary to install
- Panels interlock with tongue & groove system
- Built-in rain screen
- Pre-drilled weep holes allow water to escape
- Can be installed in any weather conditions

For step-by-step instructions, or to access tips and tricks for making installing Versetta® Stone even simpler, watch our installation videos at [versetastone.com](http://versetastone.com)

# Comprehensive colour and texture **selection** based on today's trends

## LEDGESTONE

The rugged texture and purposeful irregularity offer an exposed and well-worn look that suggests years in the elements.

## TIGHT-CUT

The traditional look of quarried limestone fitted tightly together to emulate rural 19<sup>th</sup> century American architecture.

The product colours you see are as accurate as current photography and printing techniques allow. We suggest you look at product samples before you select colours.
