EXTERIOR COLOR INSPIRATION

# DaVINCI™

Exterior Color Inspiration

DaVinci™ siding delivers a timeless, elegant style with deep, long-lasting colors. Unlike other processes that can scratch, DaVinci's™ dark color is produced using the highest quality pigments that are saturated throughout the panel to ensure it is always rich and lasting.

The inspiring palette of DaVinci™ features some of the most time-tested hues. These distinctive, yet classic colors are guaranteed to set any home apart from the rest.

Premium thickness for added impact resistance.

Exclusive Colorfast™ formulation locks-in the color for superior retention.

Exclusive Duratron™ vinyl technology for long lasting durability.

# Distinctive Style

## Protection Against Fading & Distortion

Intense heat from the sun's rays can take a toll on the exterior of your home. Dark colored siding creates an even bigger challenge.

HELIOS® Technology provides unique properties and heat resistance capabilities that are ideal for these beautifully vivid colors.

HELIOS® Technology protects your home's beauty for years to come.
