# PERFECTION SHINGLES

## Hand Stained Cedar Beauty

**Perfection Shingles** will not crack, rot or warp. The simple lines, historic style and natural beauty all enhance the exterior of your home. With minimal maintenance, this siding will provide years of beauty and elegance to your home's exterior.

- Unbeatable performance under the **harshest weather conditions**.
- **Wind-load resistance of 220 mph**.
- **.090" thickness** for added strength and rigidity.
- **Natural texture** molded from real cedar.
- **Variable width keyways** designed to expand and contract without opening or buckling.
- **Matching corner posts** to complement any look.
- **Advanced color-through process** provides superior fade resistance.
- Backed by a **Limited Lifetime Warranty**.

Unique **temperature lines** molded directly on the panel ensuring fast and accurate installation.

Special **structural ribs** for added stability and extra protection against warping and distortion.

**Easy Lock system** enables installation under a window or at the end of a wall without tilting the panel.

**Perimeter locks** create a seamless look and hold the panels securely together.
